Early clearing of center median near Wabash Avenue in Redlands (December, 2003)

A Freeway Service Patrol (a roving emergency repair and tow service) began operations on January 5.

Brothers Joshua and Jason Pallas provide friendly emergency assistance through the Freeway Service Patrol, offered at no charge to stranded motorists in the I-10 construction zone between Redlands and Yucaipa.

Crews have completed the footing and began the installation of rebar for the sound wall located near Reservoir Road in Redlands.
